

Erie County Children Services donation program on behalf of children and families. There are many different opportunities to donate and help a family who may be struggling.

How can you help?

1. In an effort to prevent families from being separated, monetary donations are used in situations where our agency is working to prevent removal of children from their family. Your help can assist with utilities bills, rent crisis and so on. Your help will also help children in agency temporary custody by allowing us to send children to camps over the summer and during school holiday breaks.
2. We also accept donations of new air mattresses. Many of our families have a history of moving often and beds are difficult to move so air mattresses allow them to keep their children sleeping safely and comfortably which is conducive in child development.
3. Holiday Sponsorship are for specific times during the year where we support families by providing holiday support such as Easter Baskets, Back to School Supplies, Thanksgiving Meals, or Christmas presents.
